EC Blaauw Transport (Pty) Ltd. is a Plant Hire & Earthmoving business situated in Rustenburg – North West Province.

Services are provided to the Mines and Civil Contractors in the surrounding area. In 2014 the Lydenburg branch was opened to service the mines in the Mpumalanga Province, followed shortly thereafter by the Northern Cape and Freestate branch.

OUR JOURNEY

The business was founded by the late Mr Ernst Christiaan (Christo) Blaauw in 1979. The business started out with a 10 m³ Tipper Truck, D4 CAT Bulldozer & a CAT 920 Loader.

The business was operated as a sole proprietary in Randfontein until operations moved to Rustenburg in 1999. By this time Christo Blaauw was an established entrepreneur. The business continued to expand and as a result EC Blaauw Transport CC was established in 2004. The first contract was secured with Aquarius Platinum Mine which gave the opportunity for further growth. After laying a solid foundation for the business Christo Blaauw sadly passed away in 2011. The family business has grown each year and converted to a private company in 2014 of which Mr. RA Aucamp and Ms. N Aucamp are the current directors. Currently the business has a fleet of over 30 vehicles and also utilises many sub contractors. Current customers include major civil contractors and mining houses.
